# sapphire™ XP white

Semperguard® sapphire XP™ white disposable nitrile gloves are designed to provide reliable protection, comfort, and tactile sensitivity for a variety of tasks requiring dexterity and control. The white color supports a clean, professional appearance and helps improve the visibility of contaminants in hygiene-sensitive environments. Suitable for applications such as janitorial-sanitation, laboratory/pharma, safety, and food service.

- Clean white color**  
 Supports a hygienic appearance and helps improve visibility of contamination.
- ESD tested**  
 According to ANSI/ESD STM 15.1.
- Comfortable fit**  
 Soft nitrile formulation supports dexterity and tactile sensitivity.
- Safe for food contact applications**  
 Meets FDA 21 CFR Part 177 requirements for food handling.
