# sapphire™ cobalt

Semperguard® sapphire™ cobalt disposable nitrile gloves are designed to offer great gripping capabilities and are versatile for a variety of applications. These gloves strike a balance between multi-purpose protection and tactile sensitivity, helping users maintain dexterity handling tasks with precision. They are an ideal choice for industries such as food services, safety, janitorial/sanitation, and laboratory environments, where both performance and comfort are crucial.

- ESD tested**  
 According to ANSI/ESD STM 15.1
- Safe for food contact applications**  
 Meets FDA 21 CFR Part 177 requirements for food handling
- Bold, unique color**  
 Provides a sleek, professional appearance
- Textured fingertips**  
 Enhanced dexterity and gripping capabilities in wet or dry environments
