# secureSense™

Semperguard® secureSense™ general purpose nitrile gloves offer a versatile and reliable solution for various applications, all at a great value. Designed with textured fingertips, they ensure a secure grip in both wet and dry conditions. These gloves provide hand protection and comfort, making them ideal for automotive work, food handling, janitorial-sanitation use, and general safety tasks.

- Textured fingertips**  
 Enhanced dexterity and gripping capabilities in wet or dry environments
- Safe for food contact applications**  
 Meets FDA 21 CFR Part 177 requirements for food handling
- ESD tested**  
 According to ANSI/ESD STM 15.1
- Durable & comfortable**  
 Designed for flexibility and extended wear
